

Order Guide of Hall Effect Sensors/Transducers

In order to process your purchase order quickly, you should give us the following information in your purchase order:

1) Your Company Info:

- Company name,
- Customer no if you have purchased any products from ChenYang Technologies,
- Shipment address and bill address with zip code,
- VAT number if your country is the member of EU (European Union),
- Contact person,
- Telephone number and fax number of contact person,
- Company website address and
- Purchase order no and date. etc.

2) Description of Purchase Order (see your inquiry, our quotation, product overview and data sheets):

- Product name (Hall Effect DC Current Sensor, Hall Effect AC Current Sensor, ...)
- Part number (CYHCT-S3-U100A-42, CYHCS-E4-100A-36, ...)
- Power supply (+12V DC, $\pm 15V$...)
- Output signal (current 0 ~20mA, voltage 0-5V DC, ...)
- Input signal range (0-100A DC, 100A AC...)
- Special requirements (window size, custom connector etc.)
- Order quantity
- Unit price
- Shipment method (Express, economical shipment, collection etc.)
- Shipment date
- Payment method (wire transfer, visa / master card etc.)
